

Project Sheet Swaps

What is a swap?

We are swapping handmade items. Each participant makes a set number of identical items (eg. Christmas Cards x 6), and posts to the host with a return envelope. When they have all arrived, they are swapped around and you receive 6 different cards in return.

How often do swaps run?

Swaps run once a month, from January to November.

Who can join a swap?

Swaps are open to Australian residents only, and all level of papercrafters.

Are there any swapping rules?

Take note of the due date, and allow time to post so they arrive on time. If you can't complete your swap in time or need to drop out, please email the host as a courtesy. Read the email thoroughly and print a checklist if you need to. Only send your best work.

Is there a quality guideline?

I encourage quality workmanship. Always choose cheap & cheerful over cheap & nasty. Straight cutting lines, no fuzzy edges, don't rock your stamps, and no oozy glue. If in doubt, email a pic of your work to me for feedback. Squeeze air out of all bags so you can pack flat & light with minimal sticky tape. A simple card done well beats a complex card done badly.

How do I join?

When swap is announced, follow the instructions to email me at enquiries@dawnlewis.com.au
