Welcome to Homemade Cards for Seniors Australia

This presentation is to let you know the requirements when sending cards for Seniors

WELCOME

Welcome to Homemade Cards for Seniors Australia

Wendy and Em who have been friends for over 20 years started the group in August 2024 to help create an easier way for people to share their cards and bring smiles to seniors across Australia. Whilst Em has taken a step back, she is still supporting as a collection point, and we have welcomed Melinda to our team to support.

The group has grown to over 50+ collection points for you to share your cards and we are currently donating to over 200+ places like Meals on Wheels and Aged Care facilities with a total of 60,000+ cards donated as of December 2025.

This presentation has been provided to show what our card requirements are.

Thank you for your support to bring smiles to seniors xo

CARD SCHEDULE

Four times a year we have a different theme, and the final timing is when you can share with your nearest collection point. Check out our albums section for inspiration for each of the themes.

NOTE: Any changes to these dates will be confirmed via our Facebook group page.

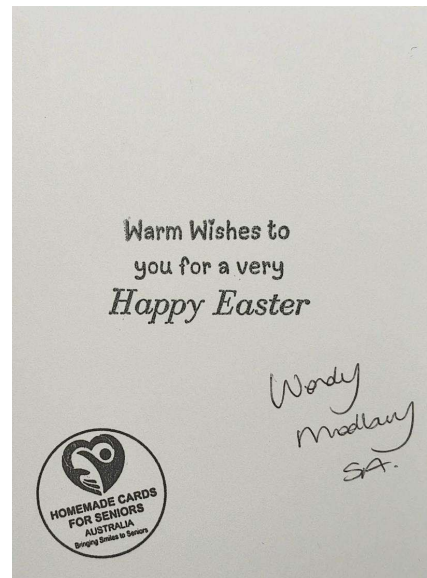

WHAT'S IN A CARD

Create your card to the theme which can be any shape, size or style.

NOTE: All cards donated are onforwarded to seniors.

Include a sentiment and your first name and suburb. Add the logo inside the card and on the envelope if you like

Check out Snazzi Scappin' (Homemade cards for Seniors Stamp set 2 - Snazzi Scrappin') for Homemade Cards for Seniors stamp sets which includes sentiments, our logo and little pictures you can use.

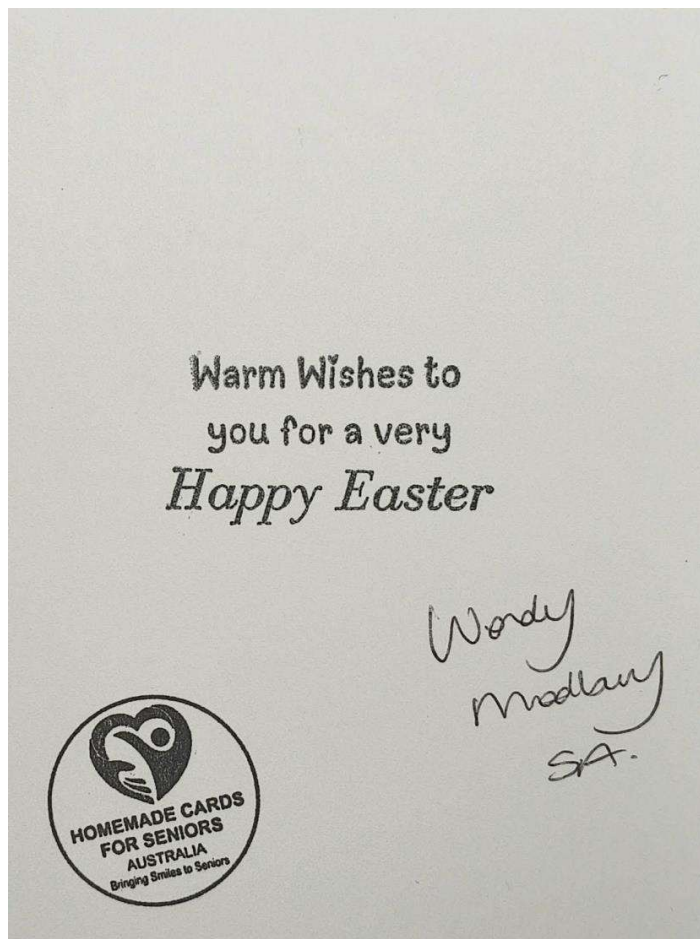

CREATE YOUR CARD

Your card can be anything you like but we ask you to stick to the theme in the schedule.

Each week we have an inspiration post for you just in case you are stuck for ideas and welcome you adding your cards to our inspiration album on Facebook.

When you have completed your cards, we would love to see them so don't forget to share pictures of your cards to our Facebook group.

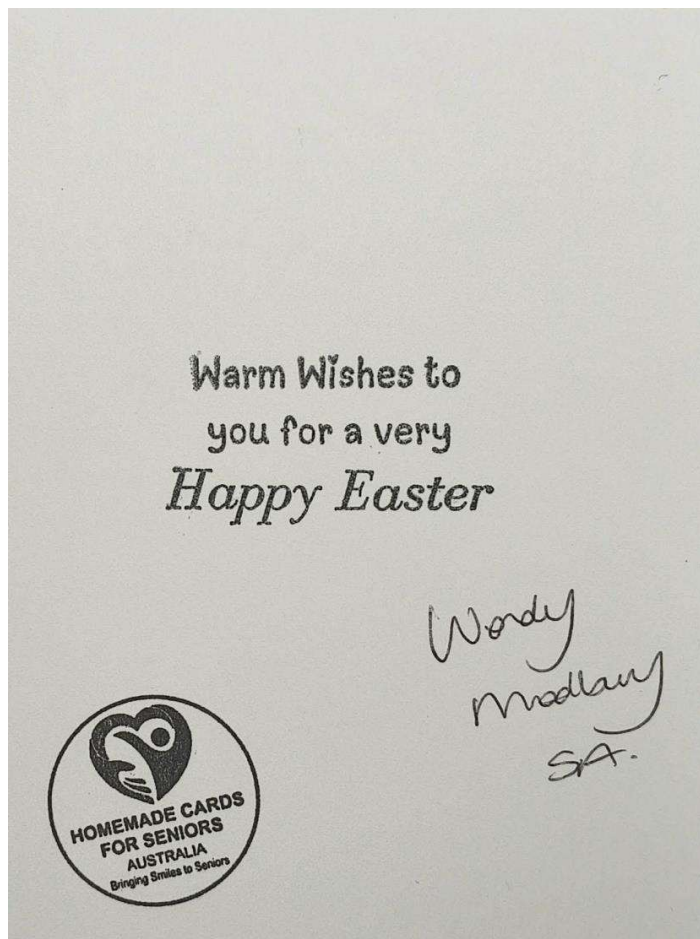

SENTIMENT & YOUR NAME AND SUBURB

We ask you to include a short message or sentiment inside your card. If you are stuck on a what to write check out our files folder where we have sentiments for each theme.

You can handwrite the sentiment, print or stamp, it is up to you.

Including your first name and suburb in the card personalises it for the person receiving the card.

GROUP LOGO

Add the logo inside the card - either on the right- or left-hand side.

You can find the logo in our files folder on our Facebook group if you wish to print it and glue it on or create stickers. We have lots of different formats available.

GET READY FOR COLLECTION POINT

Grab an envelope and
put it inside your card or
just inside the flap.

Please do not put your card
in the envelope or put the
card in a plastic slip/cover
as we will need to remove
these when sorting for
delivery and we don't want
you waste your money and
time.

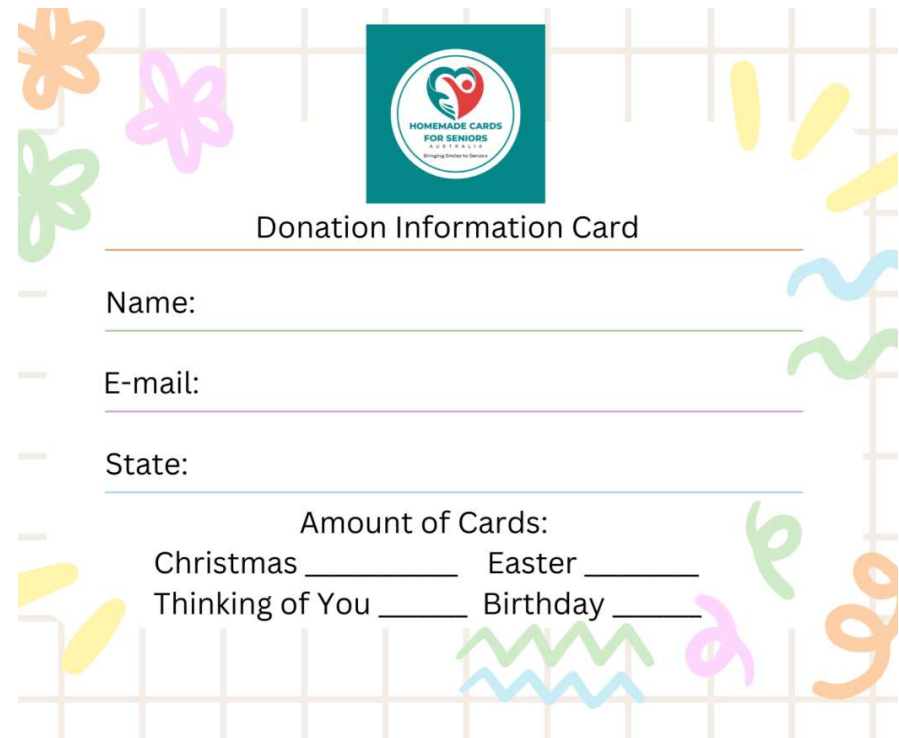

DONATION INFORMATION CARD

Once you have your cards ready, print out a 'Donation Information Card' to fill out and send with your cards.

This also allows us to know who sent us the cards and to be able to thank you for your contribution.

Write in your name, e-mail and state. Then let us know the number of cards sharing.

Please only include the current theme to support our collection points.
